Softball New Zealand

B B

REMEMBERING THOSE FROM OUR SPORT, WHO
HAVE PASSED DURING THE 2023-2024 SEASON.

OBITUARIES

MICHAEL MULHOLLAND:

Mike started playing softball for Marist in Wellington before transferring to the Island Bay Softball Club in 1961. He played third base for Island Bay until he retired from the game and became a softball umpire.

Mike qualified for his NZSA Umpires Badge in 1970. He umpired at the IV Men's World Championship in Lower Hutt in 1976 alongside fellow New Zealander Dave England. In 1978 he accompanied the NZ Women's team to the IV Women's World Championship in El Salvador as New Zealand's national umpire. Mike also went to Australia as an umpire for the 1985 South Pacific Classic.

From 1984 until 1990 Mike was Chief Umpire for the Hutt Valley Softball association. From 1986 until 1988 Mike was Softball New Zealand's deputy Chief Umpire. In 1986 Mike umpired at the VI Women's World Championship in Auckland, New Zealand.

Around 2008 Mike moved to the Wairarapa and joined up with the Giants Club, umpiring their home games. Later in life, he retired to a lifestyle block north on Masterton, near the Mount Brice Bird reserve.

JOHN MANNING:

John Manning, one of South Canterbury's great softballers, passed away after a long, courageous battle with cancer.

John began his softball career while at primary school, joining his friend and neighbour Steve Timmings, to play for Royals Softball Club. At high school, he played for Timaru College at a number of interschool tournaments. John was a pitcher from a young age; a position he played for a number of years until the Royals club folded in 1981-1982. He then moved to the Celtic Club, continuing his softball days for a few more years.

John played for the South Canterbury Men at the Jefferies Cup in Canterbury, as well as in National Men's tournaments on many occasions. He also attended a number of NZ Marist tournaments while playing for Celtic.

John was an inspiration to many young and upcoming players, mentoring both pitchers and catchers including our current South Canterbury president, Adrian Whiu.

RAY TIMU:

Known to many, and a stranger to none, Ray Timu passed peacefully after a long battle with cancer. Ray was a former player and coach of the PK Premier 1 Men's team. Ray was there in 1984 when we won the Wellington Championship, Intercity, The Vic Guth Memorial Tournament, and in 1987 when PK climbed to the top of Softball in NZ (*beating Cardinals to win the Lion Red Series*), just to name a few special times that Ray was apart off. Ray was famously snapped climbing over Mark Sorenson to pick up the sports photo of the year while scoring the opening run of the game.

Ray was a legend, who took many softballers under his wing, using his big heart for the game and his whanau.

JANICE FOOT:

Janice (Jan) Foote from Hawkes Bay passed away after a short illness. In celebration of a beautiful life, we acknowledge Jan's outstanding contribution to Softball including numerous national appearances representing our national Women's team from the 1970's, proudly attending multiple World Series and most befittingly, induction into the Softball New Zealand Hall of Fame. A totara has fallen.

Jan started her softball career in Hastings around 1955-56 playing for Braves Softball Club. She represented Hawkes Bay during the 1957-58 season. She played in a New Zealand v Rest game in 1962-63 season and was captain of Hawkes Bay in 1963-64. Jan was selected as catcher for the New Zealand White Sox, into play in the Women's world Series in Australia in February 1965.

In 1965-66 she was a New Zealand catcher working with Hawkes Bay pitcher Libby Bowles. In 1966-67 she played in a victorious North v South match in Dunedin. In 1967-68 Jan and Libby were part of the invincible Leopards club in Hastings. In 1971-72 Jan Foote and Libby Bowles were playing in Wairarapa and were selected in the N Z Team. In February 1972 she played for New Zealand against the Arizona all Stars in a Test Series in NZ. In 1974 Jan caught for New Zealand against New South Wales.

From 1979, Jan returned to Hawkes Bay where she began a long career coaching representative teams.

OBITUARIES

MALCOLM WRIGHT:

Many of you will remember Malcolm Wright a.k.a Marty. He has had a long association with men's Evergreens Softball - first attending an Evergreens Tournament at Horowhenua in the 1978 season, and has attended almost every tournament since then.

Marty started his softball career playing for Broadway in Wellington, alongside with his older brother. During his time with the Wellington Evergreens he was firstly a player, then a team coach or assistant coach and latter in life, a supporter.

In 2000, Marty was among a list of players who had competed with Wellington for 20 years. In 2013, at the North Harbour Tournament, Marty was among the Wellington Evergreens who were honoured as one of the Legends of Evergreens and was awarded a Certificate *"In recognition of outstanding support and achievement throughout years of the Men's Evergreens Softball."*

In later years Mary moved to Napier where he spent his last few years. He attended the 2023 Tournament in Manawatu just a couple of months before he passed away. He will long be remembered by his many friends and teammates.

JEAN GOULD:

Sadly another icon has gone, as Jean Gould passed peacefully in her sleep during her 92nd year. Life Member Jean Gould was an exceptional person, who gave so much of her time to make life better for others. She was an excellent teacher who went well beyond expectations through her dedication to a variety of after school activities. Her involvement in softball, netball and kiwi hockey and her voluntary work was rightfully recognized by her receiving a Queen's Service Medal.

A CSA Life member, Convenor of SNZ Junior Advisory Board for many years, Manager of the Junior White Sox (1988 to 1996 - including the Junior World Cup) CSA JAB President for many years and one of the best bakers in the land. She had a passion for Secondary Schools softball and worked closely with her great friend Lyndsey Leask as they travelled to each Championship together.

COLLEEN CALLAGHAN:

Colleen joined the Ramblers family in 1972 when Noel was playing Reserves. The rest they say is history. Since then, Ramblers has always been part of her life. Managing, committees, scoring working bees and many tournaments, Colleen was always there to work hard and lend a hand.

Along with doing raffles at the Richardson Pub and numerous other jobs, Colleen earned her Ramblers Softball Life Membership in 2007. Colleen was also a Life Member of Auckland Softball and she was very proud to have The Colleen Callaghan Shield played in her honor in the Premier Women's grade.

Some on the committee were lucky when meetings were at the Callaghan home which meant there was a roast dinner served for them. She also played a game of softball once too. A highlight through the recent years was the Premier Women returning after a hiatus and winning club nationals, she was one of their greatest supporters.

After many years of Ramblers being at Coke Park, Fowlds Park, The Caddy Shack and now Warren Freer Park was home, she loved the club being busy with people enjoying Ramblers facilities. Watching her children and grandchildren playing brought great joy.

STU HODGES:

He aitua! He aitua!
Karanga te ao, karanga te pō!
Nei rā te karanga a Hinenui te Pō ki tō tātou nei hoa rangatira kua hinga mai nei.
E te tungane, e Stu, taka mai te hupe me ngā roimata e wharikihia ki runga i a koe.
Haere tika ai ki te taumata o ngā taumata o te mate.
Haere oki rā, moe mai rā, kati.

Stuart "Stu" Hodges passed away peacefully, aged 71 years. Stu launched his career in the mid-1980s, qualified on the circuit in 1990-1991 and obtained his NZ Umpiring Badge as holder number 208 in 1991-1992. Stu umpired for many years on the national circuit and in doing so he obtained his international license under the former ISF organization of World Softball in 2003.

OBITUARIES

EDWARD NICHOLS:

Edward “Ted” Nichols, born 23 June 1936, hit his last homerun on Monday 15 January 2024 at Porirua.

Many in the softball community will have had contact with Ted over the years, where he carried a famous name throughout the sport as having a hard exterior but being a ‘soft bugger’ on the inside. He was a brother of Ron (Digger) and Barry, both of whom have passed, and an uncle of Mike and Wayne Nichols.

Ted played his early softball in Wellington for the Melrose Club with his brothers and later with Island Bay. He was part of the Wellington Evergreens Softball Organisation for many years, commencing at Horowhenua in 1978 and attended almost every tournament since then. He played for many years and then became the Traveling Umpire for the Wellington team. In 2000 Ted was among the few Wellington players listed as participating for Wellington for 20 years.

In 2013 at North Harbour, Ted was honoured as one of the Legends of Evergreens and was awarded a Certificate *“In recognition of outstanding support and achievement throughout years of the Men’s Evergreens Softball.”*

HADYN SMITH:

Hadyn Smith died on 19 April 2024 of a sudden medical event. He made a huge contribution to the various facets of our sport, including servicing as Softball New Zealand CEO in the early-mid 2000s and being a driving force in helping raise the image of Softball nationwide. Many of the softball community will have fond memories playing alongside Hadyn with the Combines Services or Evergreens, or had been coached by him when passing on his wealth of knowledge coaching grassroots level.

Hadyn was an enormously likable man who gave tremendous service to the many organisations that he was associated with. Hadyn won the trust of people impacted by the changes through his excellent communication, calming manner and people skills (all no doubt things that served him well in his police career) and he inevitably was able to see his projects to fruition. He volunteered countless hours to lead projects to benefit the community such as the Alex Moore Park development project

As an avid sports fan, particularly in rugby and softball, Hadyn has been deeply involved in developing New Zealand’s young softball talent. He was a dedicated coach, spending the latter part of his life involved with the International Softball Academy (ISA) and coaching grassroots at PK. Hadyn also was a member of the Johnsonville Fossils for many years. Hadyn was known for having a huge passion for the game and had a significant impact on the game’s growth throughout the years

Outside the world of softball, Hadyn was instrumental in developing the partnership between Surveyors and the New Zealand Geospatial Industry. He was CEO of Survey and Spatial NZ for 6 years from 2012 to 2018. Most recently, Hadyn was CEO of Crimestoppers NZ and the Honest Bunch Foundation charity.

Hadyn was a ‘larger than life’ character, who was interested in people and a very caring person. He will be greatly missed.

VOLUNTEER OF THE YEAR: STEVE SILA

Steve 'Tivi' Sila has been the ultimate 'go to' man when there's a need for volunteers within Wellington Softball. For the past few seasons, Tivi has put a tremendous amount of work in developing the women and Junior Girls programmes in Wellington, with this year being no exception. He has been instrumental in creating an avenue for young women to play softball at high level, and also recognizes the need for skill and softball IQ development. He creates opportunities that get teenagers and women excited about playing, and keeps them enthralled with the game. His volunteer work does not stop within his local community, instead outreaching to regional, national and international programmes, stepping into any positions necessary for the betterment of the sport.

This season alone, he has committed his time to being involved as a Premier women's coach for Mirimar Softball Club, where he took the team to both Club Nationals, and to Indonesia for international exposure. Following a restructure of the Mirimar board, Tivi took on the responsibility of club president, where he has continued to rebuild the club and offered new life. He coached two women's teams at neighbouring club, Poneke Kilbirnie (PK) due to staffing shortages. He put his hand up as a guest coach for the Developing Sox Girls at the Easter Classic, as well as having coached four touring Queensland teams whilst also putting together opposition for them. At representative level, he was the head coach for the Under 17 Girls, and assistant coach for the Under 19 Girls – volunteering his time and knowledge to the next generation, after there were little interest in the positions. Tivi also coached the Wellington East Girls College team at the College Sport Secondary Schools, whilst also through his job at Scott's College. In addition to his commitment to softball, he is a truly stand-up guy with pure intentions to support his community. Steve 'Tivi' Sila is the epitome of a selfless volunteer, and has helped clubs and associations in countless situations. Tivi is a very deserving winner of the SNZ Volunteer of the Year award for 2024

CLUB OF THE YEAR OTAUTAHI SOFTBALL CLUB (CB)

Otautahi Softball Club While the Otautahi Softball Club would not be considered to be one of Canterbury's major clubs when it comes to high performance on the diamond, it's contribution to the wider softball community hasn't gone unnoticed with their focus on improving health and wellbeing of Māori in Otautahi. They are a club that is delivering at the grassroots of softball, and incorporating a kaupapa Māori approach. Key to the kaupapa is the strengthening of connections to the wider community, kotahitanga in the roopu, and promotion of whanaungatanga and physical activity for all ages.

Four times a year they have run a Hauora event - focusing on healthy lifestyles and physical activity - which sees great attendance from primarily low-income families within the region. They have successfully secured funding for club administration, whilst also subsidizing Junior fees and providing free volunteer training. The fee subsidies mean that playing softball has become affordable for whanau with many members playing. They have a dedicated group of volunteers behind the scenes, who's hard work is doing big things in the community.

2023/2024 ASSOCIATION OF THE YEAR

The association of the year title is awarded to an association who has been able to implement and deliver development programmes, has inclusive practices enabling participation, who has shown growth of park and facilities while also having strong community engagement. This season finds us in the incredibly fortunate position of having two such associations within our ranks, who have done a tremendous job with developing grassroots participation, while creating environments where players can thrive in the sport and ticking the boxes when it comes to Association of the Year. Both associations have operated programmes within a tightening funding environment, yet have continued to offer excellent support to their players, clubs and wider community and are deserved recipients of this seasons Association of the Year award.

CANTERBURY (CSA)

Aside from the impressive performances on the diamond by Canterbury Softball this season, the Canterbury Softball Association has shown great growth in both their player base and in delivering adaptive competition. Their social media has been second to none, receiving high levels of community engagement (regional and national) off speedy posts and impressive graphics. Each week they have comprehensive coverage of games - including write-ups - which translated into the National competitions they held this season. They have introduced inclusive programmes for participation outside the standard player base, which has seen initiatives with disability groups including Parafed, The Special Olympics and Helen Anderson Trust, offering adaptive and accessible softball/T Ball experiences while making the most of their astroturf diamonds. Not only this, they have bought in programmes partnering with local marae, after school 'Stay & Play', and Kiwi Sox School programmes which were delivered to 9,000 kids in term 4 alone!

COUNTIES MANUKAU (CMSA)

Counties Manukau Softball Association is a tight knit whānau based Association, who all gather together to tautoko and awhi, in keeping the sport we all love thriving. They have done a tremendous job with developing tamariki and rangitahi, going above and beyond to offer skills clinics and softball IQ sessions to cover basics like throwing and catching. Their hard work paying off with the association being prominent National age-grade competition, their club numbers increasing to 12, whilst having a large number of youths recognised in National squads, and age grade representative teams making finals across the country.
